2. Institutional Review:

The University received the Final Review Report of the Institutional Review (IR) submitted by the review team on 02nd October 2018, after a long delay. Upon receipt, the report was carefully scrutinized and found that the review team had not given a fair hearing to most of the responses that USJP has made to the Draft Review Report. Since, USJP does not agree with certain contents of the report, it should not enter public domain until those disagreeing issues are sorted out. Therefore, a letter was sent to the Chairman/UGC, by the Vice Chancellor on 26th October, 2018, requesting to advice the QAAC to refrain from publishing this document.

A letter was received on 19th December, 2018 (which had been written on 11th December, 2018) from the Chairman/UGC, requesting detailed response of USJP to the IR Final Review Report. As the academic staff including the Director/IQAU was involved with the activities of the Programme Review of FMSC during this period, a grace period was sought to respond till first week of February, 2019.
