Progress Report for Senate (From 2nd half of November, 2018 to 1st half of January, 2019)

1. Programme Reviews:

All Twelve Programme Reviews (PR) of the Faculty of Management Studies and Commerce (FMSC) have been conducted during the period of November, 2018 to January, 2019. Scores have been already sent for the following Programme Reviews.

SN	Degree Programme	Department	Score	Grade
1	B.Sc. Business Administration (Special) Degree	Dept. of Business Administration	81.0	A
2	B.Sc. Management (Public) (Special) Degree	Dept. of Public Administration	82.0	A
3	B.Sc. Estate Management and Valuation (Special) Degree	Dept. of Estate Management and Valuation	80.1	A
4	B.Sc. Finance (Special) Degree	Dept. of Finance	84.0	A

2. Institutional Review:

The University received the Final Review Report of the Institutional Review (IR) submitted by the review team on 02nd October 2018, after a long delay. Upon receipt, the report was carefully scrutinized and found that the review team had not given a fair hearing to most of the responses that USJP has made to the Draft Review Report. Since, USJP does not agree with certain contents of the report, it should not enter public domain until those disagreeing issues are sorted out. Therefore, a letter was sent to the Chairman/UGC, by the Vice Chancellor on 26th October, 2018, requesting to advice the QAAC to refrain from publishing this document.

A letter was received on 19th December, 2018 (which had been written on 11th December, 2018) from the Chairman/UGC, requesting detailed response of USJP to the IR Final Review Report. IQAU is presently preparing a detailed response to the final review report and it is expected to submit in the first week of February, 2019.

3. Policy Document on Academic Accountability:

Policy Document on Academic Accountability has been submitted to Senate and it was referred back for the comments of the Faculties. As, only one Faculty has sent their response, it could not be finalized yet. Hence, it has been circulated again among all the Faculties to obtain their observations. It is intended to finalize the document at the next IQAU meeting.
