At the internal QA meeting of the University held on 30.07.2020, it was discussed the circular sent by the University Grants Commission (UGC) to develop the policy of student engagement in QA by each university. According to the UGC Guidance, students should be encouraged to participate in the following aspects of university life, all of which impact on the student learning experience, and are subject to QA.

- Induction and orientation of new students
- Monitoring and evaluation of teaching-learning activities
- Programme design, delivery and organization
- Learning resources
- Student welfare and well-being
- Career Guidance and employability
- University infrastructure development
- Community Outreach
- Development of the university's strategic and action plans in areas relating to the student experience
